A ship in harbor is safe
but that is not what ships are built for . . .

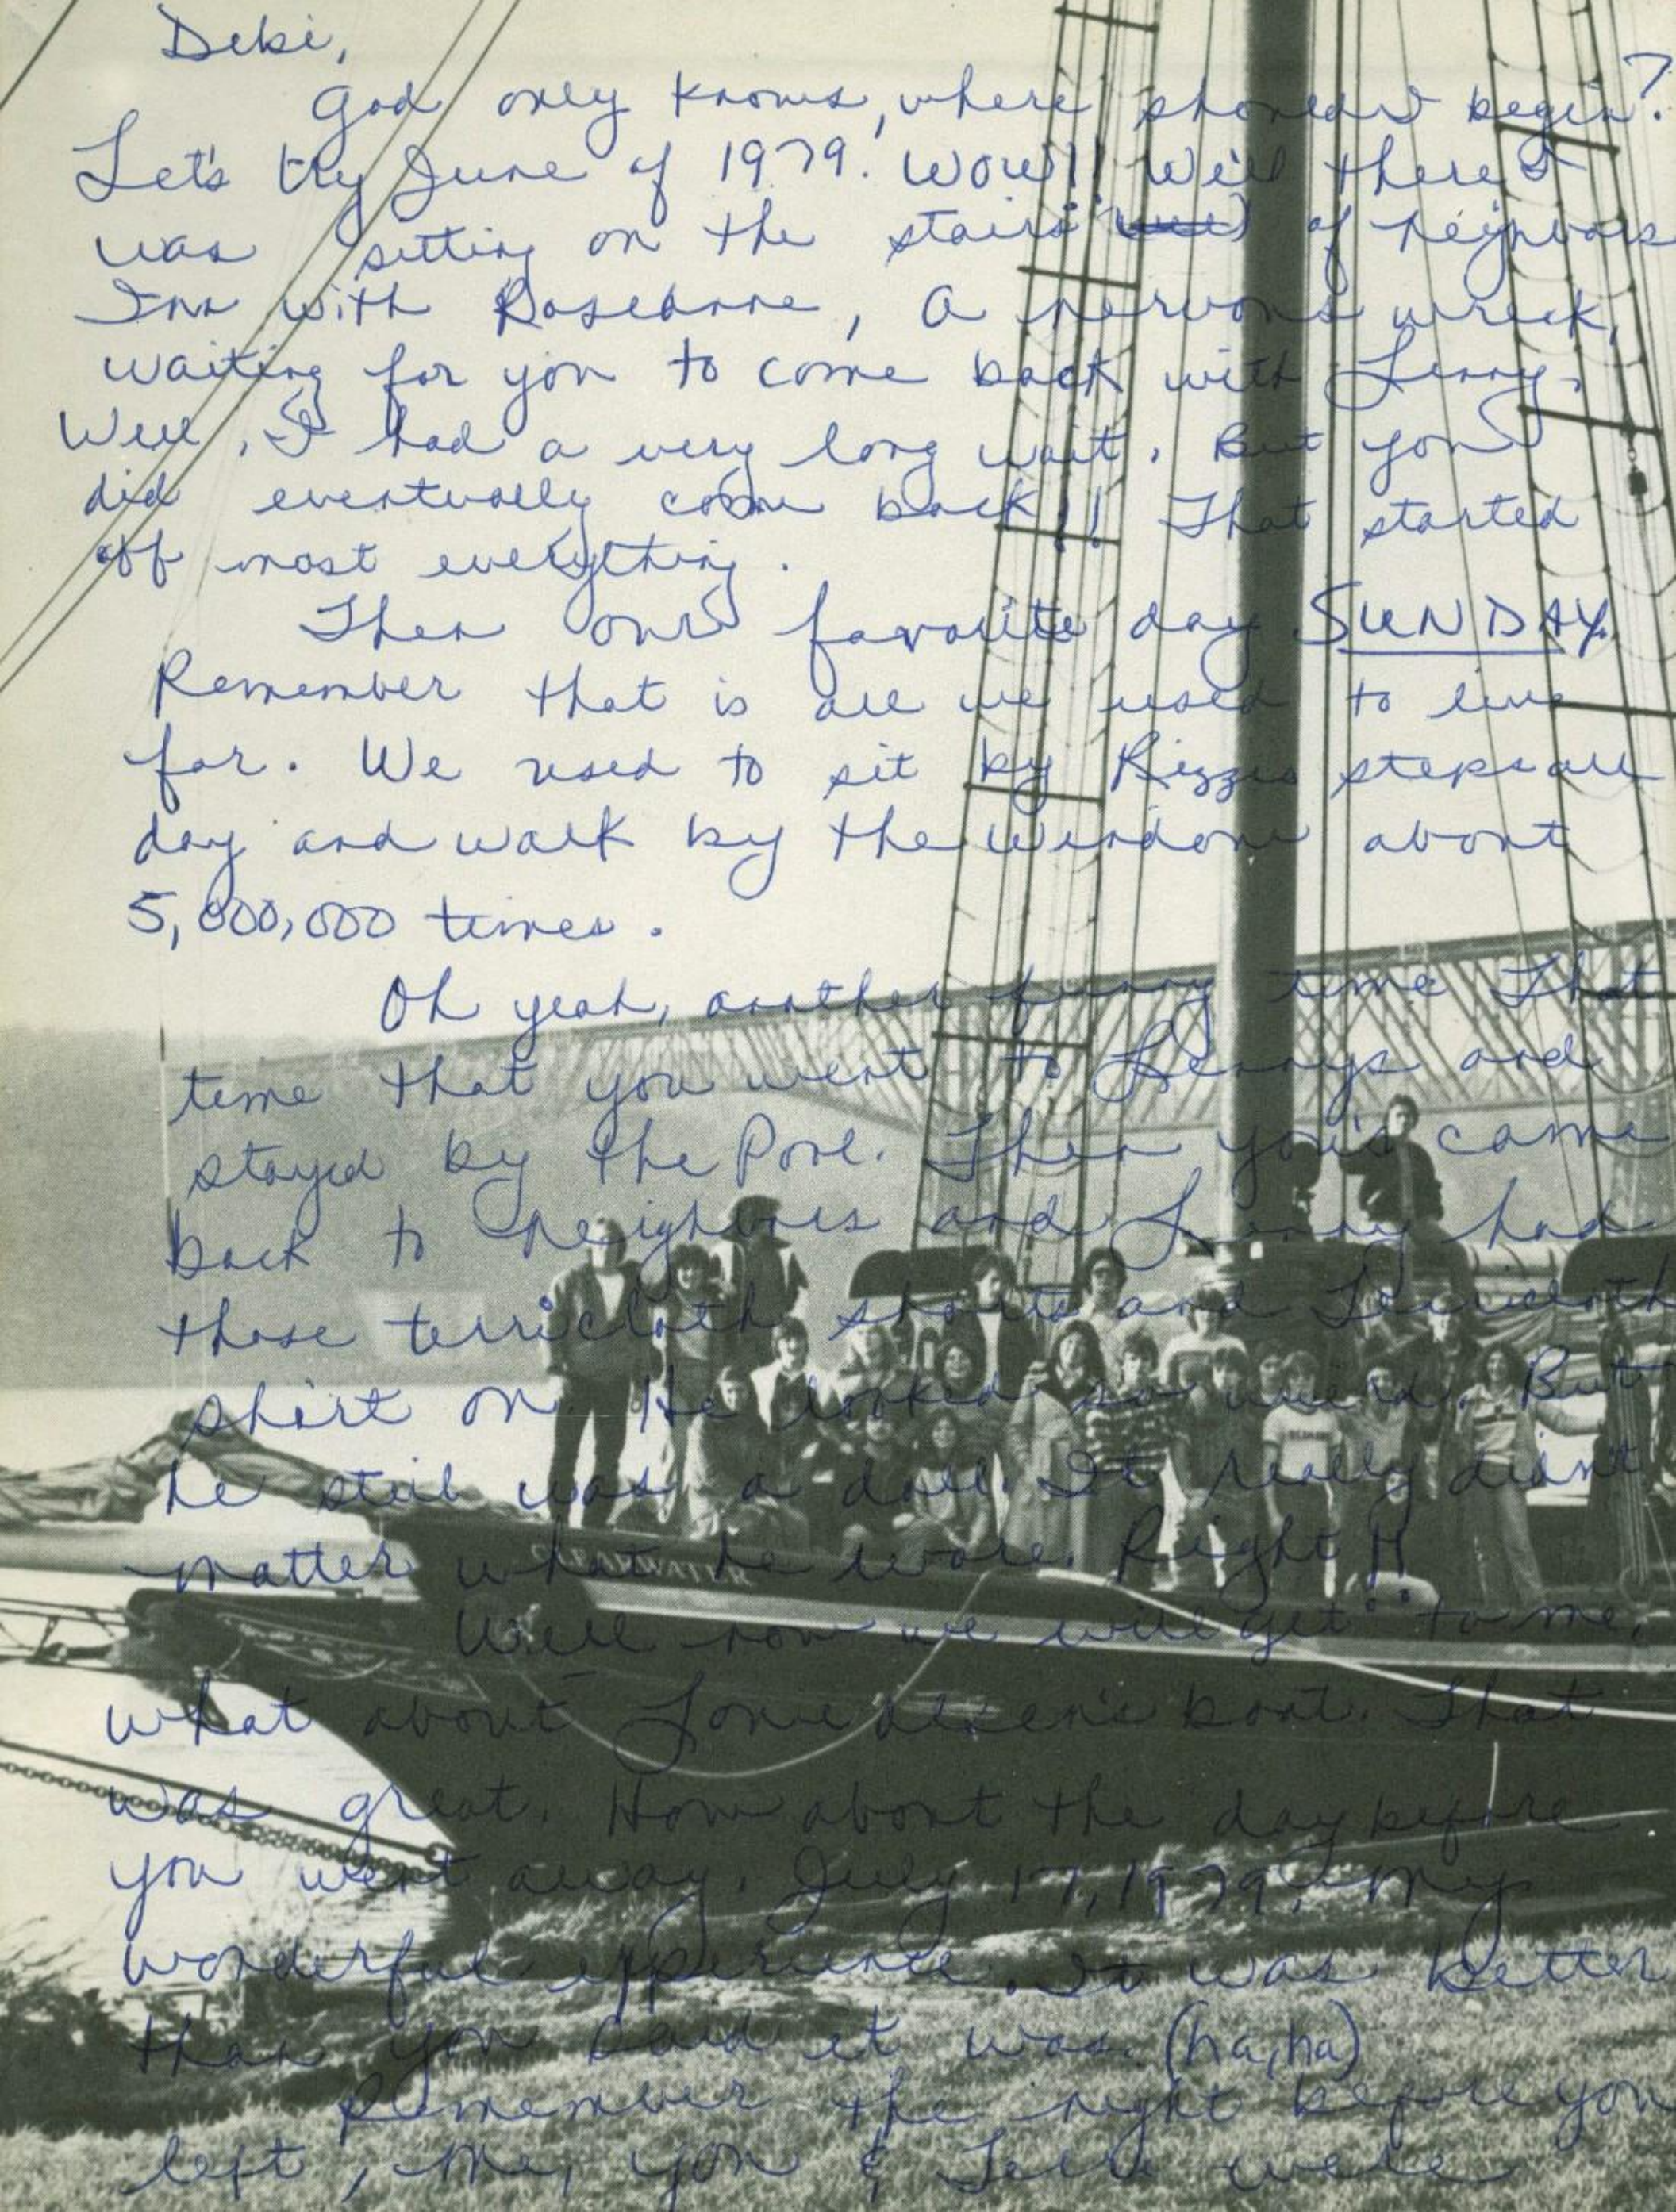
Debi,

God only knows, where should I begin? Let's try June of 1979. Wow!! Well there I was sitting on the stairs [illegible] of Regina's Inn with Rosedene, a nervous wreck, waiting for you to come back with Lenny. Well, I had a very long wait, But you did eventually come back!! That started off most everything.

Then our favorite day SUNDAY. Remember that is all we used to live for. We used to sit by Rizzo's steps all day and walk by the windows about 5,000,000 times.

Oh yeah, another funny time that time that you went to Kenny's and stayed by the Pool. Then you all came back to Regina's and I [illegible] those terrible cloth shorts and Terri with shirt on. Her bikini was a dead. It really didn't matter what she wore. Right!!

Well now we could get to me, what about Jones Beach boat. That was great. How about the day before you went away, July 17, 1979, my wonderful experience. It was better than you could ever [illegible] Remember the night before you left, me, you & Terri were



sitting in Jerry's car. The good old Pinto. The disgusting things that we were talking about & composing. We were sick.

Bringing up the fact about Jerry's good old Pinto. Remember the time I took the car. We drove all over Highland. I don't even know why I keep saying "do you Remember", because I know that you do. I ~~(illegible)~~ almost cried when Anthony saw me and said "PARK THAT FUCKIN' CAR!!" (I hope your mom doesn't read this) He scared the shit out of me. And especially when the key chain broke. Thank god for Gary Berson. (ha, ha)

~~(illegible)~~ How about your christmas present and your favorite saying, "I'D RATHER BE ACROSS THE STREET!!"

That was really cute. We drove Mr. Valentine crazy, all we wanted to do is look and then run. Thank God that we had them to pull us through the school year. If we didn't We would have never made it. The year went so damn fast, I can't believe it.

Now we can begin the this year. From December - on -

We had alot of funny times with Jerry Centonze too. The night you slept over my house, or should I say came over to see me for awhile. And the best time, when Ant & me, You & Lorcen were in neighbors that day, together. I had such a good time that day, until he had to leave.

Deb, what about the most recent times. Walking to Eddie's everyday last week. (May 5-9,) That was alot of fun. Especially that Friday. I had a really nice time that night, until I got upset, (as usual) I can't be that you actually had the nerve to go to Apt. ——. That took Balls. That's as plain as I can put it!! But as long as you had a great time, that's what counts. I had a nice time that night too. Oh we can't forget, the cute Red Stars on Antony's new car seats What a shame.

Deb, I realize that I have left out millions & millions of things that we have done together. (continued in the back)

The staff of Echo '80 would like to express their appreciation to all who helped in putting this book together, but were too many to be mentioned.

DEDICATION

We, the members of the Senior Class of 1980, would like to show our appreciation to someone who was always ready to lend a helping hand. She has cheerfully helped many of us with the problems we have come across in the past years. She is deeply concerned with each individual, and where they will be headed in the near future. For the friendly concern she has shown us, the Senior Class of 1980 proudly dedicates its yearbook to Mrs. Norma Dapp.

SPECIAL THANKS

Mr. Valentine — we would like to thank you for being our advisor and dealing with all the problems we came across while working on the 1980 Echo.

Louis Aliotta — We offer many thanks to Lou Aliotta; without his help in taking and developing our pictures, there may not have been a yearbook.

Jamie Wilklow, Velvet Myers — We would like to thank Jamie and Velvet for all their time and effort that was given in typing the pages of our book.

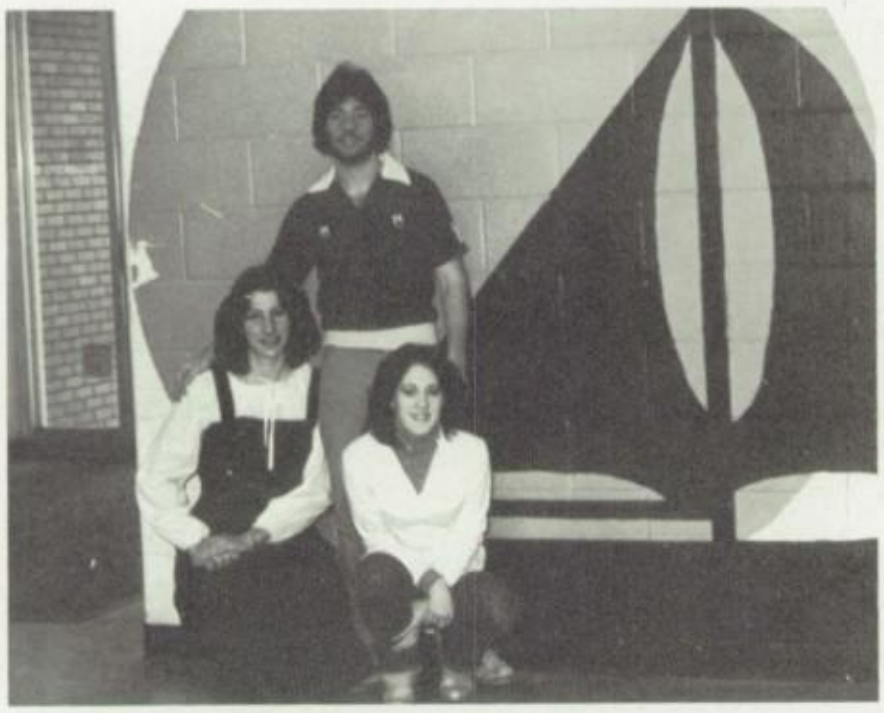
We would also like to add special thanks to all of the teachers for their time and consideration with our scheduling of pictures, and for our absence from classes.

Mr. Rua — We offer many thanks to Mr. Rua for his cooperation in dealing with the Echo Staff and the scheduling of pictures. We hope we didn't give you too many headaches.

Mrs. Olson, Mrs. Eichler — We would also like to thank Mrs. Olson for her tolerance when we kept popping in and out of the office for the key to the yearbook room, and Mrs. Eichler for her help in dealing with our financial matters.

Liz Corbett — We would like to thank Liz for all the time and hard work she has put into our book. She is responsible for the cover and all other artwork throughout the book.

EDITORS' MESSAGE



This 1980 Echo is a result of long hours of planning and late hours of hard work. We learned to cooperate and to compromise. We editors have shared many laughs, many tears, many joys, and many sorrows working together. We hope this yearbook reflects the time, energy, and fun we put into its creation.

Carolyn

This year the Echo Staff worked together to accomplish many goals. One of the primary goals was to put together a book with a strong and meaningful theme. Through much hard work, patience, and creativity I feel we were able to do this. The entire layout of this book contributes to a very unified message which I hope all of you will not overlook.

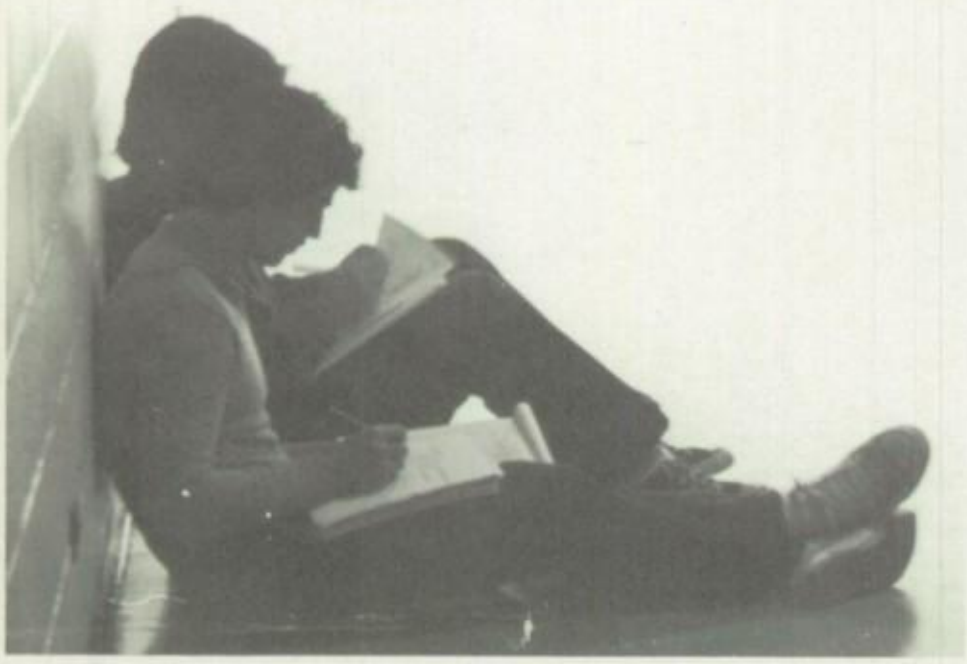
Beside all of this, I sincerely feel that we, as a staff, worked well together and that the outcome was a definite reward. Even though we were faced with many obstacles, I feel our positiveness and persistence kept us going. Editing this yearbook has been a very exciting and challenging experience. Above all, I feel it is most important that I have gained friends who will be special people forever.

Maryann

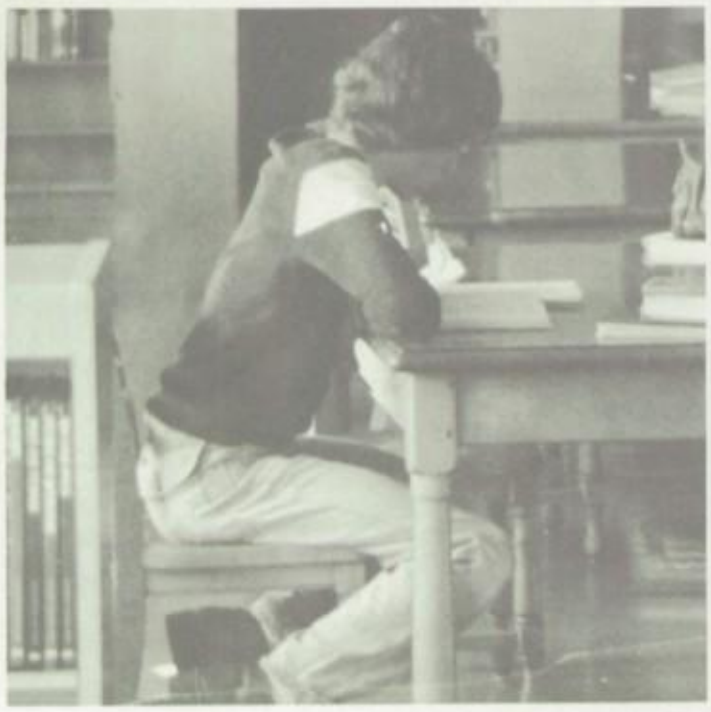
As our years together in high school come to an end, we must say goodbye to our fellow classmates. But because of all the memories we have of each other, we will always stay close to one another in our minds as we begin our lives in this world. When all of us begin our new lives, we must try with all our power to succeed at whatever we set out to become. We must set a goal, and with much determination, practice and time we will accomplish something of which we can be proud. For the world will be ours, and we must make of it all we can.

Ralph

IN A HARBOR



SAFE AND SOUND

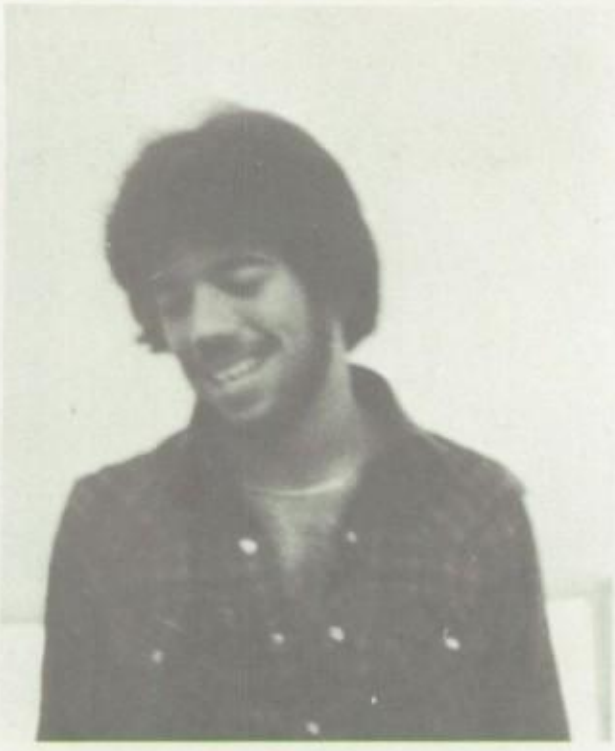


WE'VE LEARNED

FROM EXPERIENCE

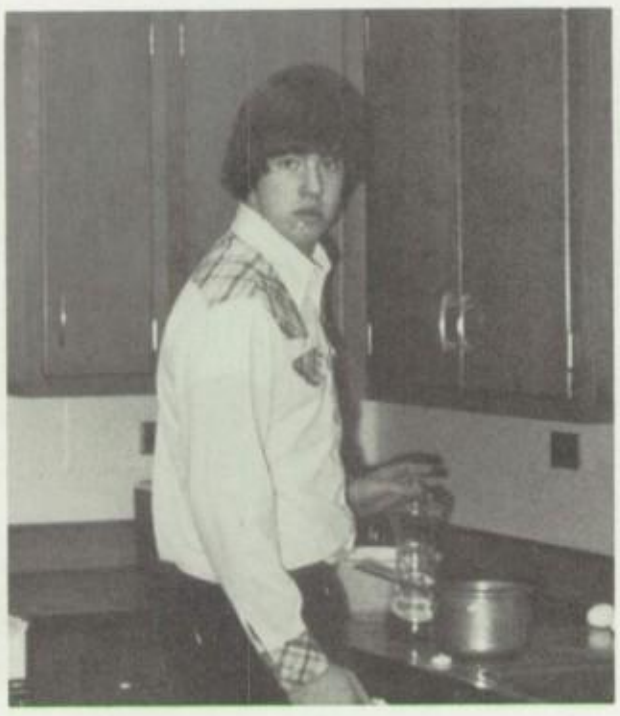
WE'VE HAD DAYS

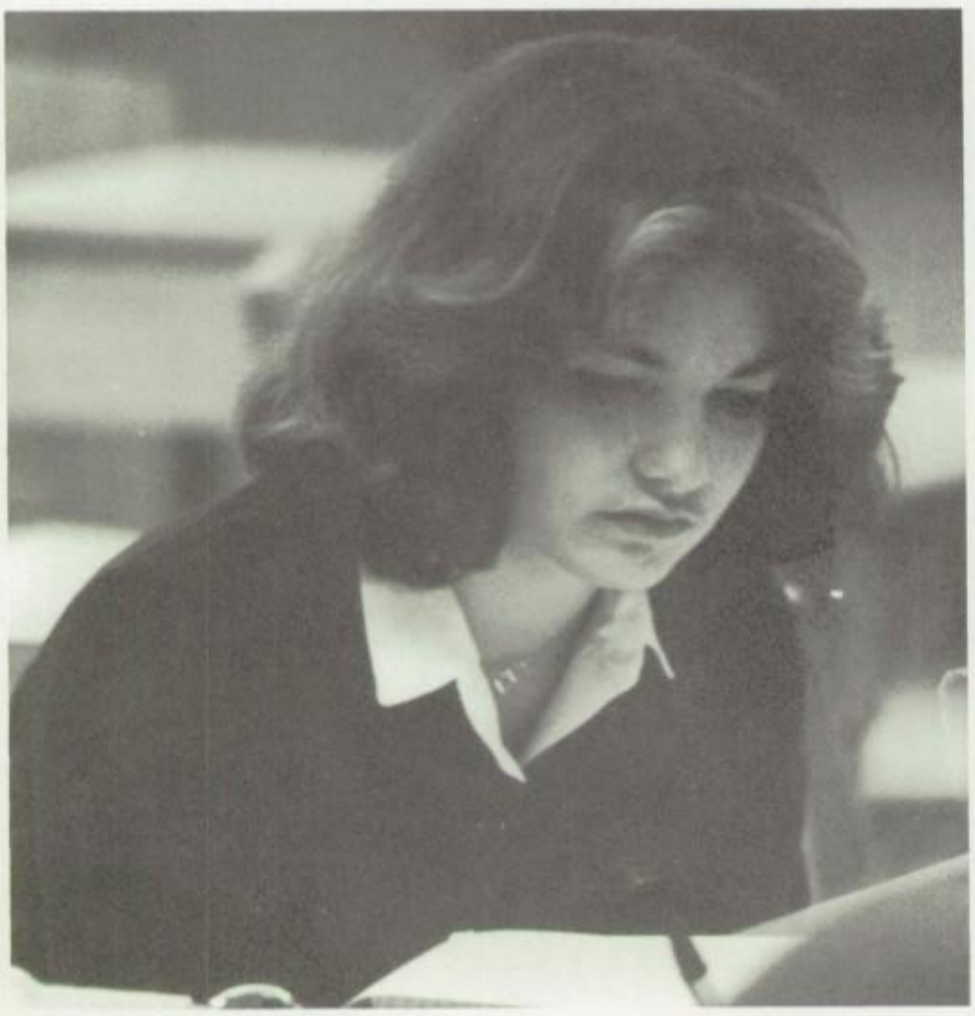
OF CLEAR SAILING



ALONG WITH

CHALLENGING WATERS





WE WILL SOON LEAVE

FOR OUR OWN VOYAGES.

Before this destined voyage our goals are established. Our harbor supplies the needed security and unity which nourishes our spirits. We begin . . .

Our first step is training. Here we are confronted with new surroundings. We are thirsty for knowledge and thus contemplate what lies ahead.

Endurance and recognition become unconscious goals for which we are constantly striving. We better ourselves through skills and practice and celebrate our gains and accomplishments.

We have weathered a storm, and we are prepared to overcome the obstacles that will cross our paths. Suffering and determination have strengthened our spirits and have forced us to set larger goals for our future.

We know not what will face us, yet we are not afraid. Our mission has begun, and soon we will be scattered over a vast ocean where only the present joins the past.

The goal and purpose behind the Washington Club is to give the students of H.H.S. the opportunity to go on a week-long trip to the Nation's Capital. The trip included visits and tours of Philadelphia, Mount Vernon, Annapolis, and Gettysburg as well as Washington D.C. By the payment of dues and fund raising activities each members' expenses are paid. These include hotel rates, tour and guide fees, meals, bus accommodations, and dinner theater.

This year's trip took place the week of March 23 to March 29, 1980.

The members of the class of 1980 who attended the trip would like to extend their appreciation to a woman who has put a great deal of time into making this trip such a success. She has given us some great memories that shall never be forgotten. Thank you Mrs. Ruth Langwick.

AFS gives you a unique opportunity to explore a different country making new friends, exchanging ideas and viewpoints, but most of all you find out more about yourself and you learn new values.

ADELE SMOLENSKI FROM NEW ZEALAND

As an AFS student in Highland I will remember the hospitality and friendship which have been shown to me by the people of the Highland community.

I will have particularly fond memories of the people who make up Highland High School, and especially the Tantillo family who made me welcome and part of their family.

GEORGE GRAY

I have studied many times
The marble which was chiseled for me —
A boat with a furled sail at rest in a harbor.
I trust it pictures not my destination
But my life.
For love was offered me, and I shrank from its
disillusionment;
Sorrow knocked at my door, but I was afraid:
Ambition called to me, but I dreaded the chances.
Yet all the while I hungered for meaning in life
And now I know that we must lift the sail
And catch the winds of destiny
Wherever they drive the boat.
To put meaning in one's life may end in madness,
But life without meaning is the torture
Of restlessness and vague desire —
It is a boat longing for the sea and yet afraid.

SPECIAL FRIENDS

We are all travellers in the
wilderness of this world, and the
best that we find in our travels
is an honest friend.

Robert Louis Stevenson

True happiness consists not in the
multitude of friends, but in their
worth and value.

Ben Jonson

The most I can do for my friend is
simply to be his friend.

Thoreau

Be glad of life because it gives the
chance to love and to work and to
play and to look up at the stars.

Friendship is the inexpressible comfort

CLASS HISTORY 1976-1980

September 8, 1976

On this clear day our good ship "Eighty" sets out on a four year voyage. She carries a close and rather friendly crew of seamen. We have chosen Jodi as Captain, with Dorothy as First Mate. Sharon is our Yeoman, while Ben is the Ship's Purser. Representing our crew on the Ship's Council are Jodi, Lynn, Maria, Jimmy, Steve, and Jay.

April 29, 1977

Tonight is the first annual Foreign Language Festival in which our foreign speaking crew participated. Our advisors are Mr. Rocco Pietrofesa and Mrs. Frances Raucci.

June 6, 1977

Today we stop on our journey in Albany, the state capital, led by Mrs. Ruth Langwick.

September 7, 1977

We now begin the second leg of our course. Mike is now the head seaman aboard ship with Lisa the First Mate. Sharon is again our Yeoman and Jodi is the Ship's Purser. Our members on the Ship's Council are Jay, Steve, Roy, Julie, Stephanie, and Susan.

March 30, 1978

Today we visit the Museum of Natural History.

April 15, 1978

Tonight there is an induction ceremony into the Honor Society for those crew members who have excelled in their studies.

May 12, 1978

On this day several crew members left us for a short time and boarded another ship for Quebec with Mr. Pietrofesa.

September 6, 1978

Now, at the midpoint of our journey, Mike is again at the helm with First Mate Jodi, Yeoman Sharon, and Bob the Ship's Purser. Ship Council members are Roy, Troy, Jay, Karen, Suzie, and Stephanie.

February 25, 1979

The tragic death of our close friend Margaret Henderson affected everyone today.

March 3, 1979

Tonight, some of the crew gave an excellent performance of *Arsenic and Old Lace* led by Mrs. Langwick.

April 13, 1979

On this day some crew members boarded Captain Raucci's ship for Spain.

May 4, 1979

Today sees our Maryann Timperio crowned May Day Queen.

September 5, 1979

We begin the last leg of our voyage with our new Captain Mary Serini, First Mate Suzie, Yeoman Stephanie, and Purser Bob. On the Ship's Council are Roy, Ralph, Jay, Debbie, Jackie, Suzie, and Chairman Stephanie.

November 3, 1979

Tonight our crew is putting on the play *Boys and Ghouls Together* led by Mrs. Langwick.

December 8, 1979

Once again we are presented with a play by our fellow seamen. This one is entitled *God's Favorite* directed by Mr. Alfred Snider.

March 23, 1979

Hard work is paid off. This week a large part of the crew, led by Mrs. Langwick, is visiting Washington. It is an event that will bring us closer and give us memories which will never be forgotten.

May 24, 1980

The members of "Eighty" are honored at a grand prom given by our sister ship "Eighty-one".

June 19, 1980

One of our last great social events, the Senior Banquet, is being held on deck tonight.

June 22, 1980

Our four year voyage has come to end. We must say goodby to our fellow shipmembers, wishing each one the best of luck following this day of Graduation. We may never see some of the old friendly faces again, but we have this adventurous voyage to remain in our memories forever.

JANET LYNN WILLIAMS

Up From The Valley Comes An Echo

Into the valley we are born unaware of what lies ahead. As we grew, we obtained knowledge. We learned honesty, trust, and love. With this knowledge we chose our companions. Little did we know these companions would be so important.

We played our childhood games, and dreamed our childhood dreams. We did not know this then, but with the help of these, our companions, our dreams could become reality.

Together we've had to climb given the support needed. The climb at times has been difficult, but we've been able to stop along the way and share the moments of joy and happiness.

Now that we've reached the top of the first plateau we can all be jubilant in our success. But we must also think about what our future will bring.

Now we have a broader look at the horizon only to find that the first lessons we learned were the essentials for life.

Jodi

Debi,
Well, we became closer this year all because of the great hang-out Neighbors Inn.
I'm really glad we became friends, cb feel I can talk to you when I'm depressed. Remember all our talks about Gary and everyone else. You proved to me that you are a true friend. Thanks for always being there.

I Love ya,

I don't have no strength — that's all he wants do to.

There is no possible way that I could ever write everything.

All that is really important is that you know that I am here for you and that you are there for me anytime we need each other.

Deb, these last 11 months, (almost 1 yr.) have been the greatest of my life, and you know that, that is the truth. Maybe what I am doing is wrong, but I know that you are the only one that understands why I am doing it. I really appreciate the strength that you have given me, I'm serious Deb, I know that it helped you too, having me around, but I really don't know what I would have done.

Deb, just let me tell you one thing, You're great and if anyone ever said different, they are assholes. That's as plain as I can put it. I've enjoyed everything that we did together. Thanks for everything & believe me I'll see you in about 2 years & we will be on the TOP!! (~~GET READY~~) BET ME!! Just remember one thing, I'll always be there for you. I Love you, Cindy XOXOX
